

It's Time To Sign Up for the New 2009 – 2010 After School Program at the RAC

Register today for the RAC after school program. The program is designed to meet the needs of the Plaistow area's kindergarten through fifth graders who need a structured, supervised environment at the end of the school day. The program is flexible to meet the needs of families – children may attend once a week, all five days or somewhere in between on a regular or drop-in basis. The program meets Monday through Friday from after school to 6:00pm and features snack and homework time, indoor and outdoor activities, arts and crafts, games, and movies. Pollard has a school bus that will drop students directly at the RAC. We welcome your participation and look forward to working with you and your child(ren).

The After School Program follows the Timberlane Regional School District calendar, starting the week of August 31, 2009. The program does not meet on school vacation days or snow days. Please be sure you have alternate arrangements in the event of an early or emergency dismissal and that your child knows these plans. The afternoon begins with snack time, followed by homework time. Homework time will be supervised by a certified elementary teacher (Ms. Julie Tardif) and high school students will also be available to help the children. Homework time will be followed by activities which may include outdoor play (weather permitting) or indoor play and/or arts and crafts.

2009 – 2010 Fee Schedule
